This is in response to your letter sent to Duckworth for Congress (the ?Committee?) on November 9, 2015, regarding the documents submitted by the Committee on paper on October 14, 2015. As the original documents themselves described, the Committee made a cash correction entry on its October Quarterly Report, also filed on October 14, 2015. The documents filed by hand correspond to that entry and include a schedule detailing each of the necessary corrections, all of which occurred during the prior election cycle.

The documents were filed by hand to allow the relevant information to be presented in a clear and readable format, and to ensure that the public was most effectively informed of the Committee?s activities. The Committee understood this to be the Commission?s preferred method of filing for such documents, but has now additionally filed the same information in an electronic format to comply with your letter?s request.

We trust that this information adequately addresses your questions. If you need any further information, please do not hesitate to contact me.

Sincerely,

Marc E. Elias  
Counsel  
Duckworth for Congress
